more than a holiday camp

Next Level Camps was **founded by teachers**, and it shows in everything we do. Every day is carefully planned to be safe, active and genuinely inspiring, so your child comes home tired, happy and full of stories.

We run **8am to 6pm, Monday to Friday**, every school holiday, hosted inside leading independent schools across Berkshire, Hampshire and Norfolk. That means wonderful facilities, plenty of space to play, and care you can count on.

Our mission is simple: to provide exceptional childcare and unforgettable experiences, while helping every child grow in **confidence, friendships, resilience and independence**. From the first hello to the last wave goodbye, your family is in trusted, qualified hands.

peace of mind

safe hands, every day

All our **Camp Leaders are qualified teachers** during term-time, and our Early Years team are qualified, trained childcare professionals or primary-school teachers. The rest of our team are coaches, childcare professionals, teachers, and university students studying to enter education or childcare.

Every member of staff is **fully trained, qualified and enhanced-DBS checked**, with **paediatric first aiders on site** throughout the day. We work in small, carefully managed ratios: 1:6 for our youngest and 1:14 for older children, smaller than Ofsted recommends.

Free-flow at drop-off & pick-up

At drop-off and pick-up, children settle into **free-flow activities** and choose whatever they fancy: table tennis, soft sports equipment, arts and crafts, reading, or a Disney film for anyone who wants a calmer start or end to the day.

Screen-light by design

The Disney film is the only screen we use, and only at drop-off and pick-up, never during the rest of the camp day.
